Terry Edwards "Staggerwing Restoration" presentation

REMINDER

The last person to leave the flying field needs to ensure that the gate to the field is locked. The gate must be locked with the club's padlock locked through the city's lock in order to allow the city to have access to the field.

FIELD PARKING

There are parking spaces at the field marked and designated as handicap parking. We've been notified that if City Park Rangers see vehicles parked in those stalls without a proper handicap tag displayed they will start issuing violation tickets. **The fine for this type of ticket is \$125.00.** All members need to be aware that, if you park in a handicap stall without a tag and a ranger comes by, it could become *an expensive day of flying.*

LAST REMINDER

It is the last opportunity to renew club membership without incurring the initiation fee! If membership fees (Open \$40.00, Junior/College \$15.00, or Family \$50.00) are not paid by March 31st, an additional \$30 "New Member" fee will be required.

If you let your membership expire and then wish to rejoin BAS at a latter time the new membership fee will apply.

Checks written to *Boulder Aeromodeling Society* may be brought to the Club meeting or mailed to the Club treasurer:

Please also enclose a copy of your 2004 AMA card.
